

BROOKFIELD AVENUE LANDFILL REMEDIATION

PUBLIC FORUM PROJECT INFORMATION & UPDATE

The New York City Department of Environmental Protection is nearing completion of the design for the closure and capping of the Brookfield Avenue Landfill, and is holding a Public Forum to inform local residents about the project and to update them on progress in the design and forthcoming construction. The Public Forum will be held in conjunction with the New York State Department of Environmental Conservation, and the Brookfield Avenue Landfill Citizens Advisory Committee.

The Public Forum is scheduled for:

Time: 6:30 - 10:00 p.m.

Date: **Wednesday, November 30, 2005**

Place: P.S 32, 32 Elverton Avenue, Staten Island

Learn about the:

- Project History and Goals
- Remediation Design
- Construction Time Line
- Community Health & Safety Plan
- Construction Management Protocol
- End Use Plan
- Ways to Get Involved

6:30 – 7:30. Exhibits & Displays

Meet and speak one-on-one with New York City Department of Environmental Protection engineers, New York State Department of Environmental Conservation representatives, and Citizen Advisory Committee members.
